Far away in Dragon Keep, the evil Dragon Queen studies her Book of Sorcery.

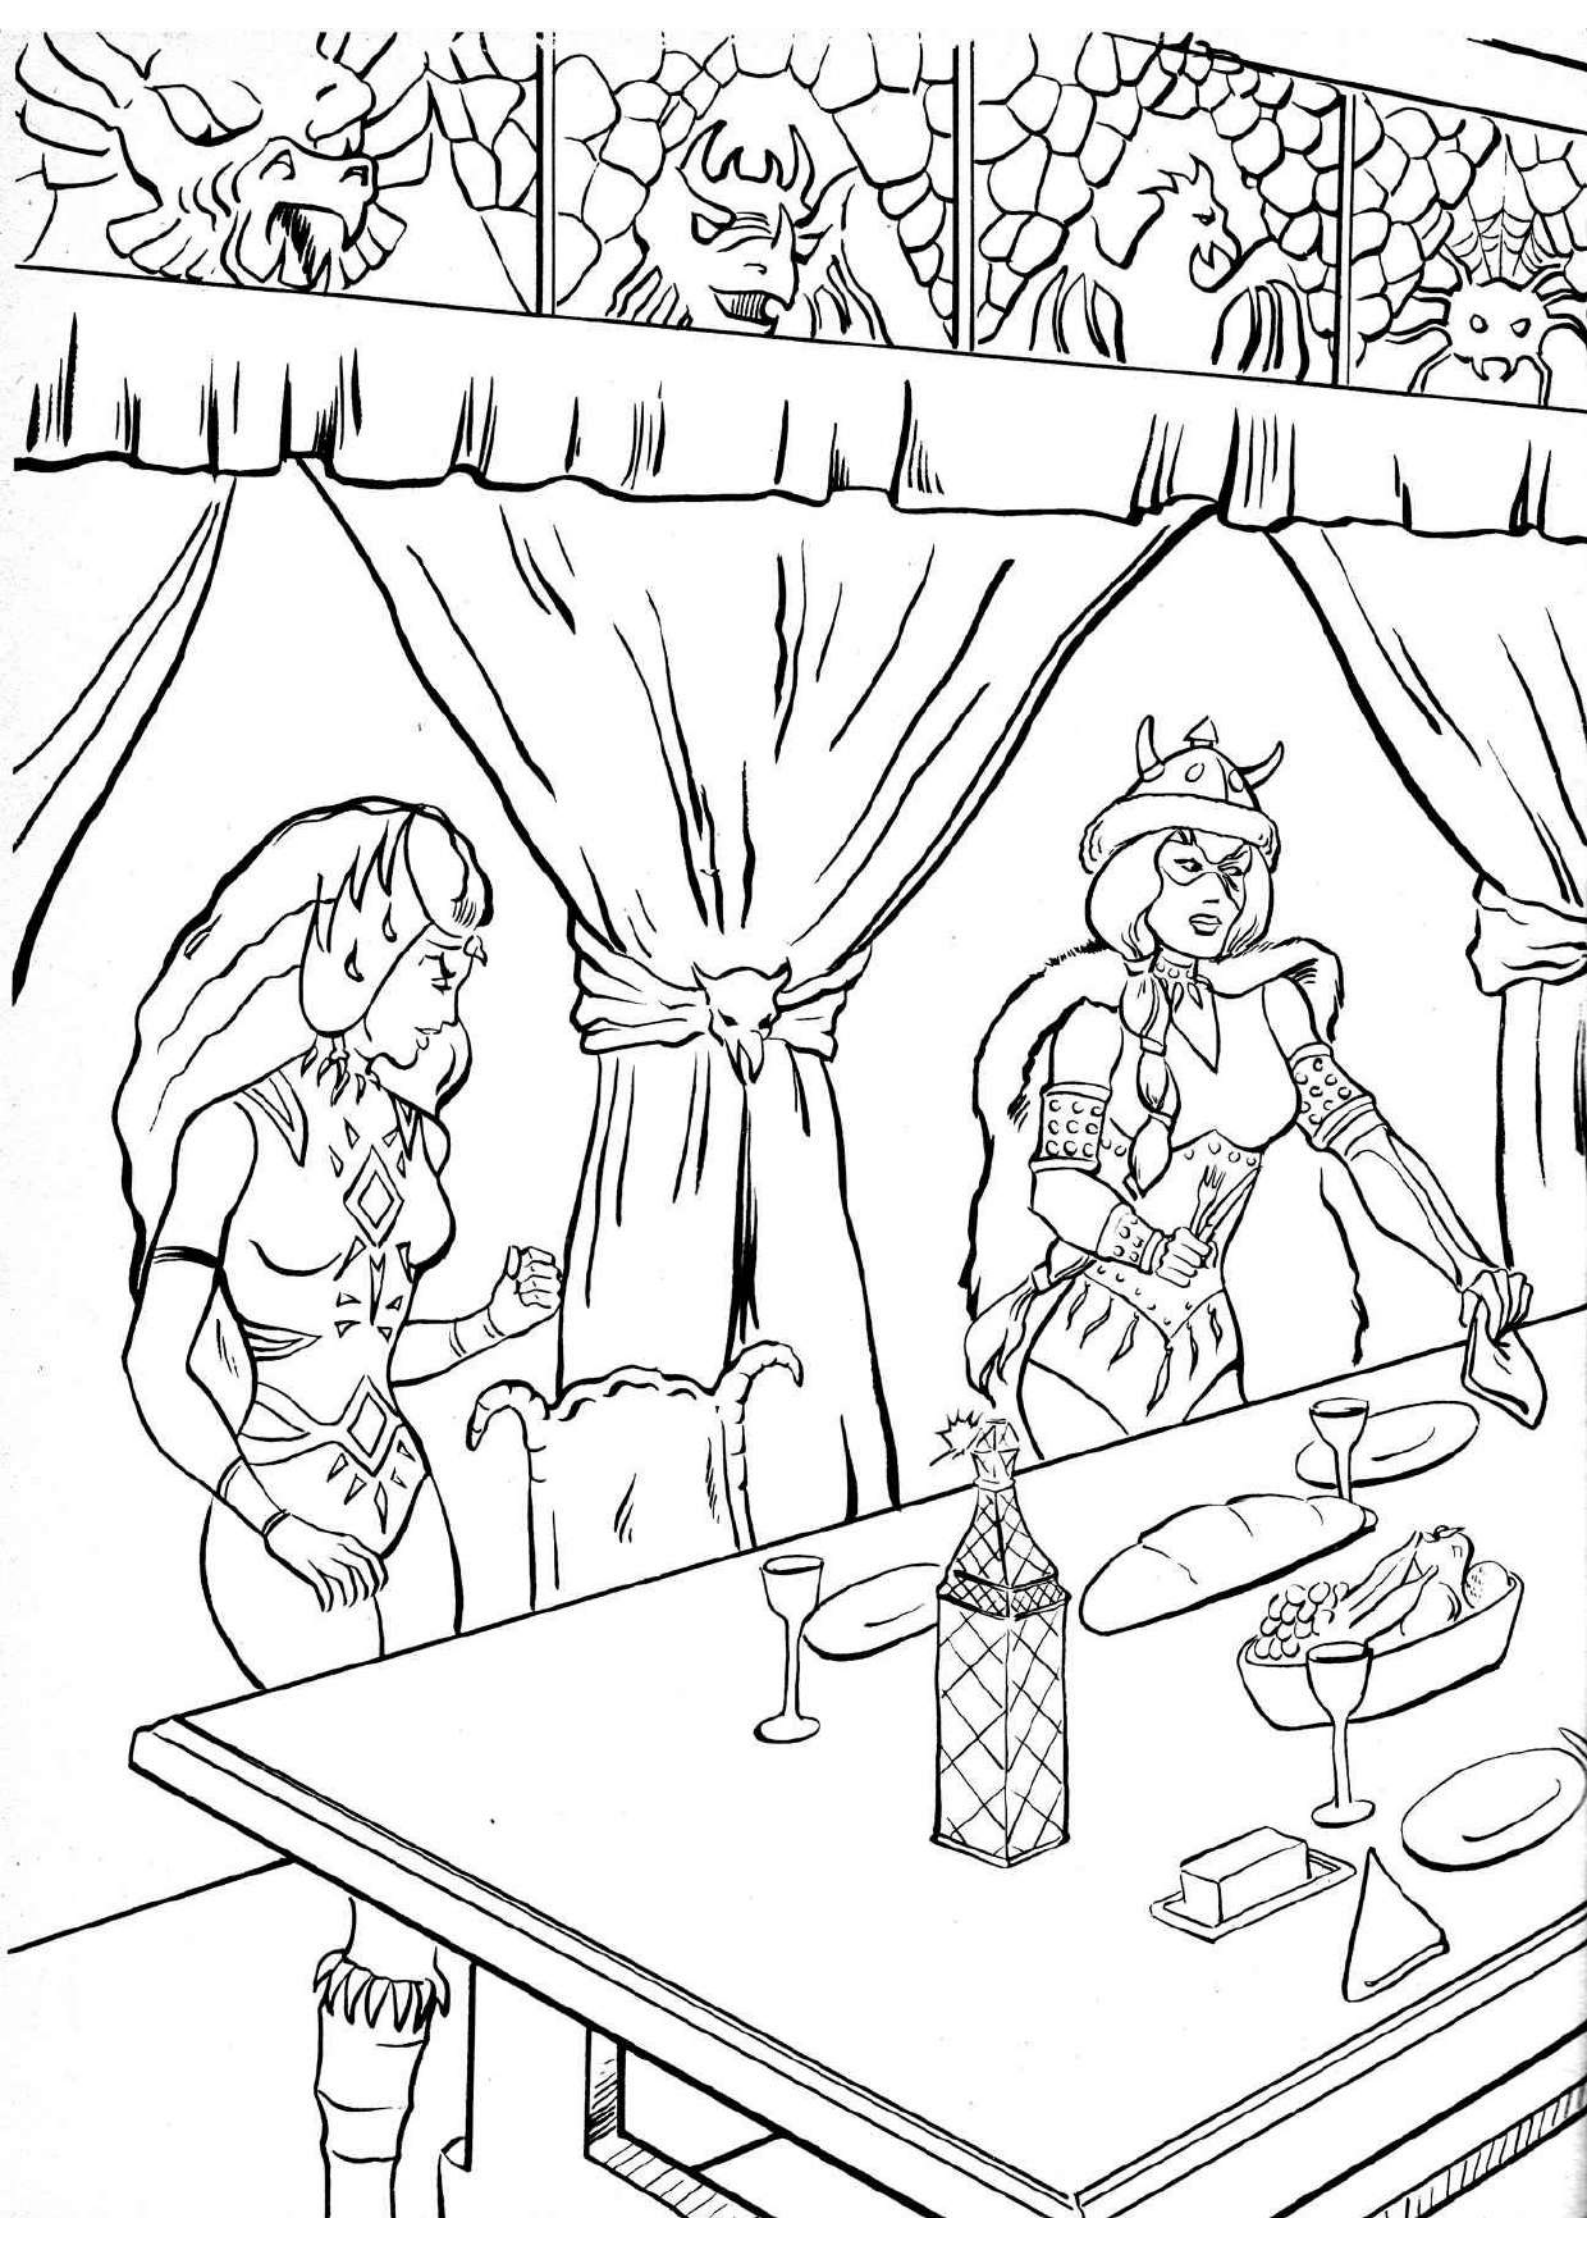
Vultura is the first to arrive.

Next comes Wild One with her vicious pet, Animal.

Last to appear is Moth Lady.

"I have a plan to destroy Golden Girl," Dragon Queen tells them.

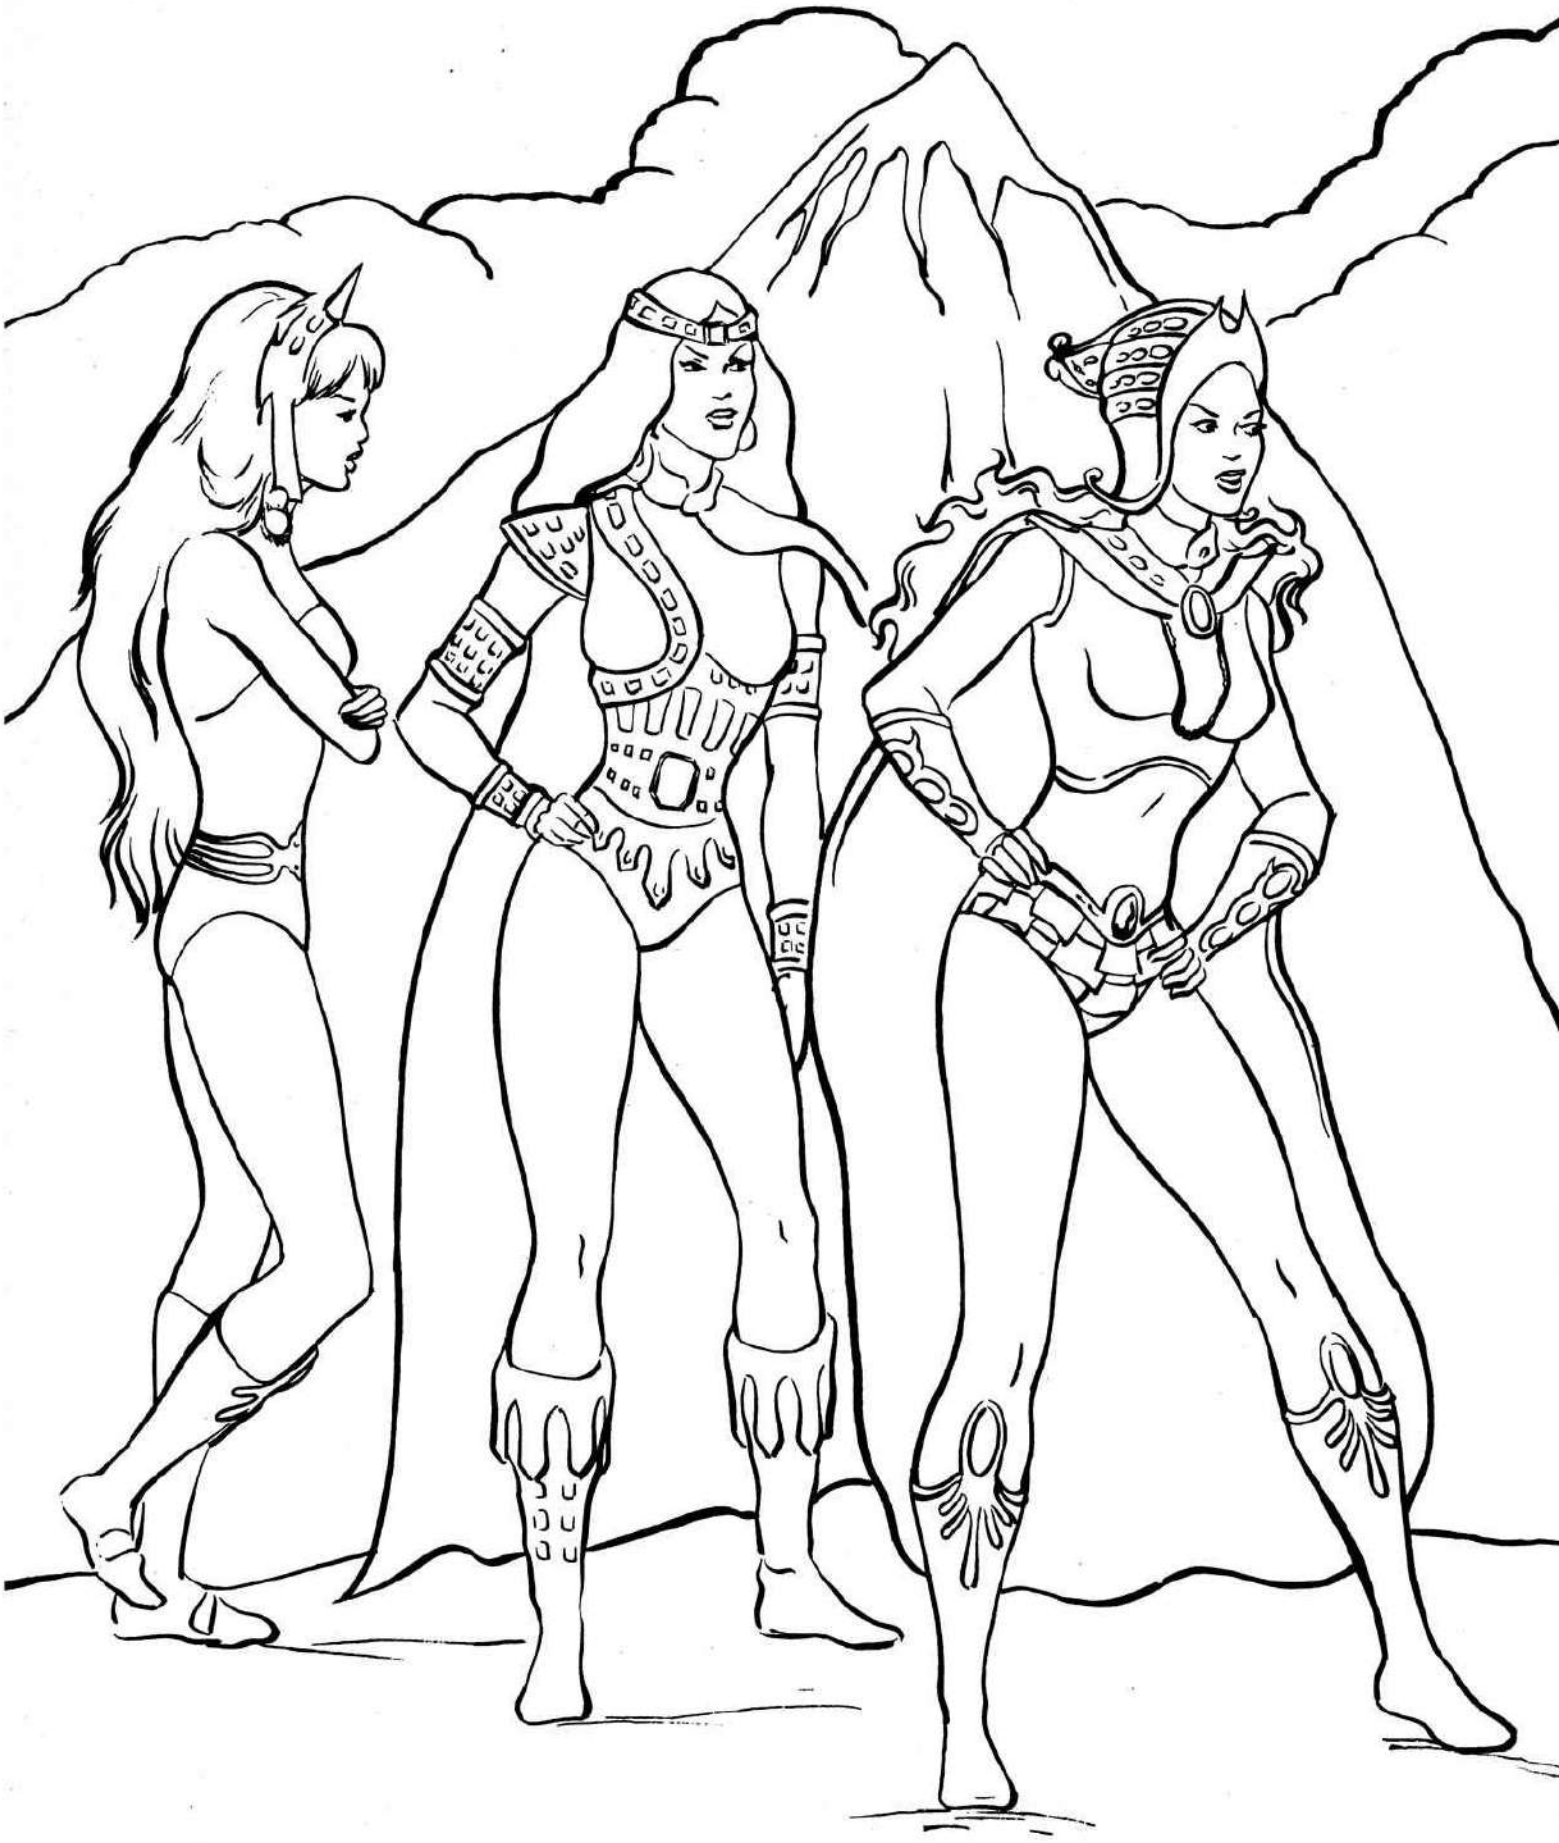
"We'll invite Golden Girl and her Guardians to a great feast," says Dragon Queen. "But they'll *never* leave Dragon Keep!"

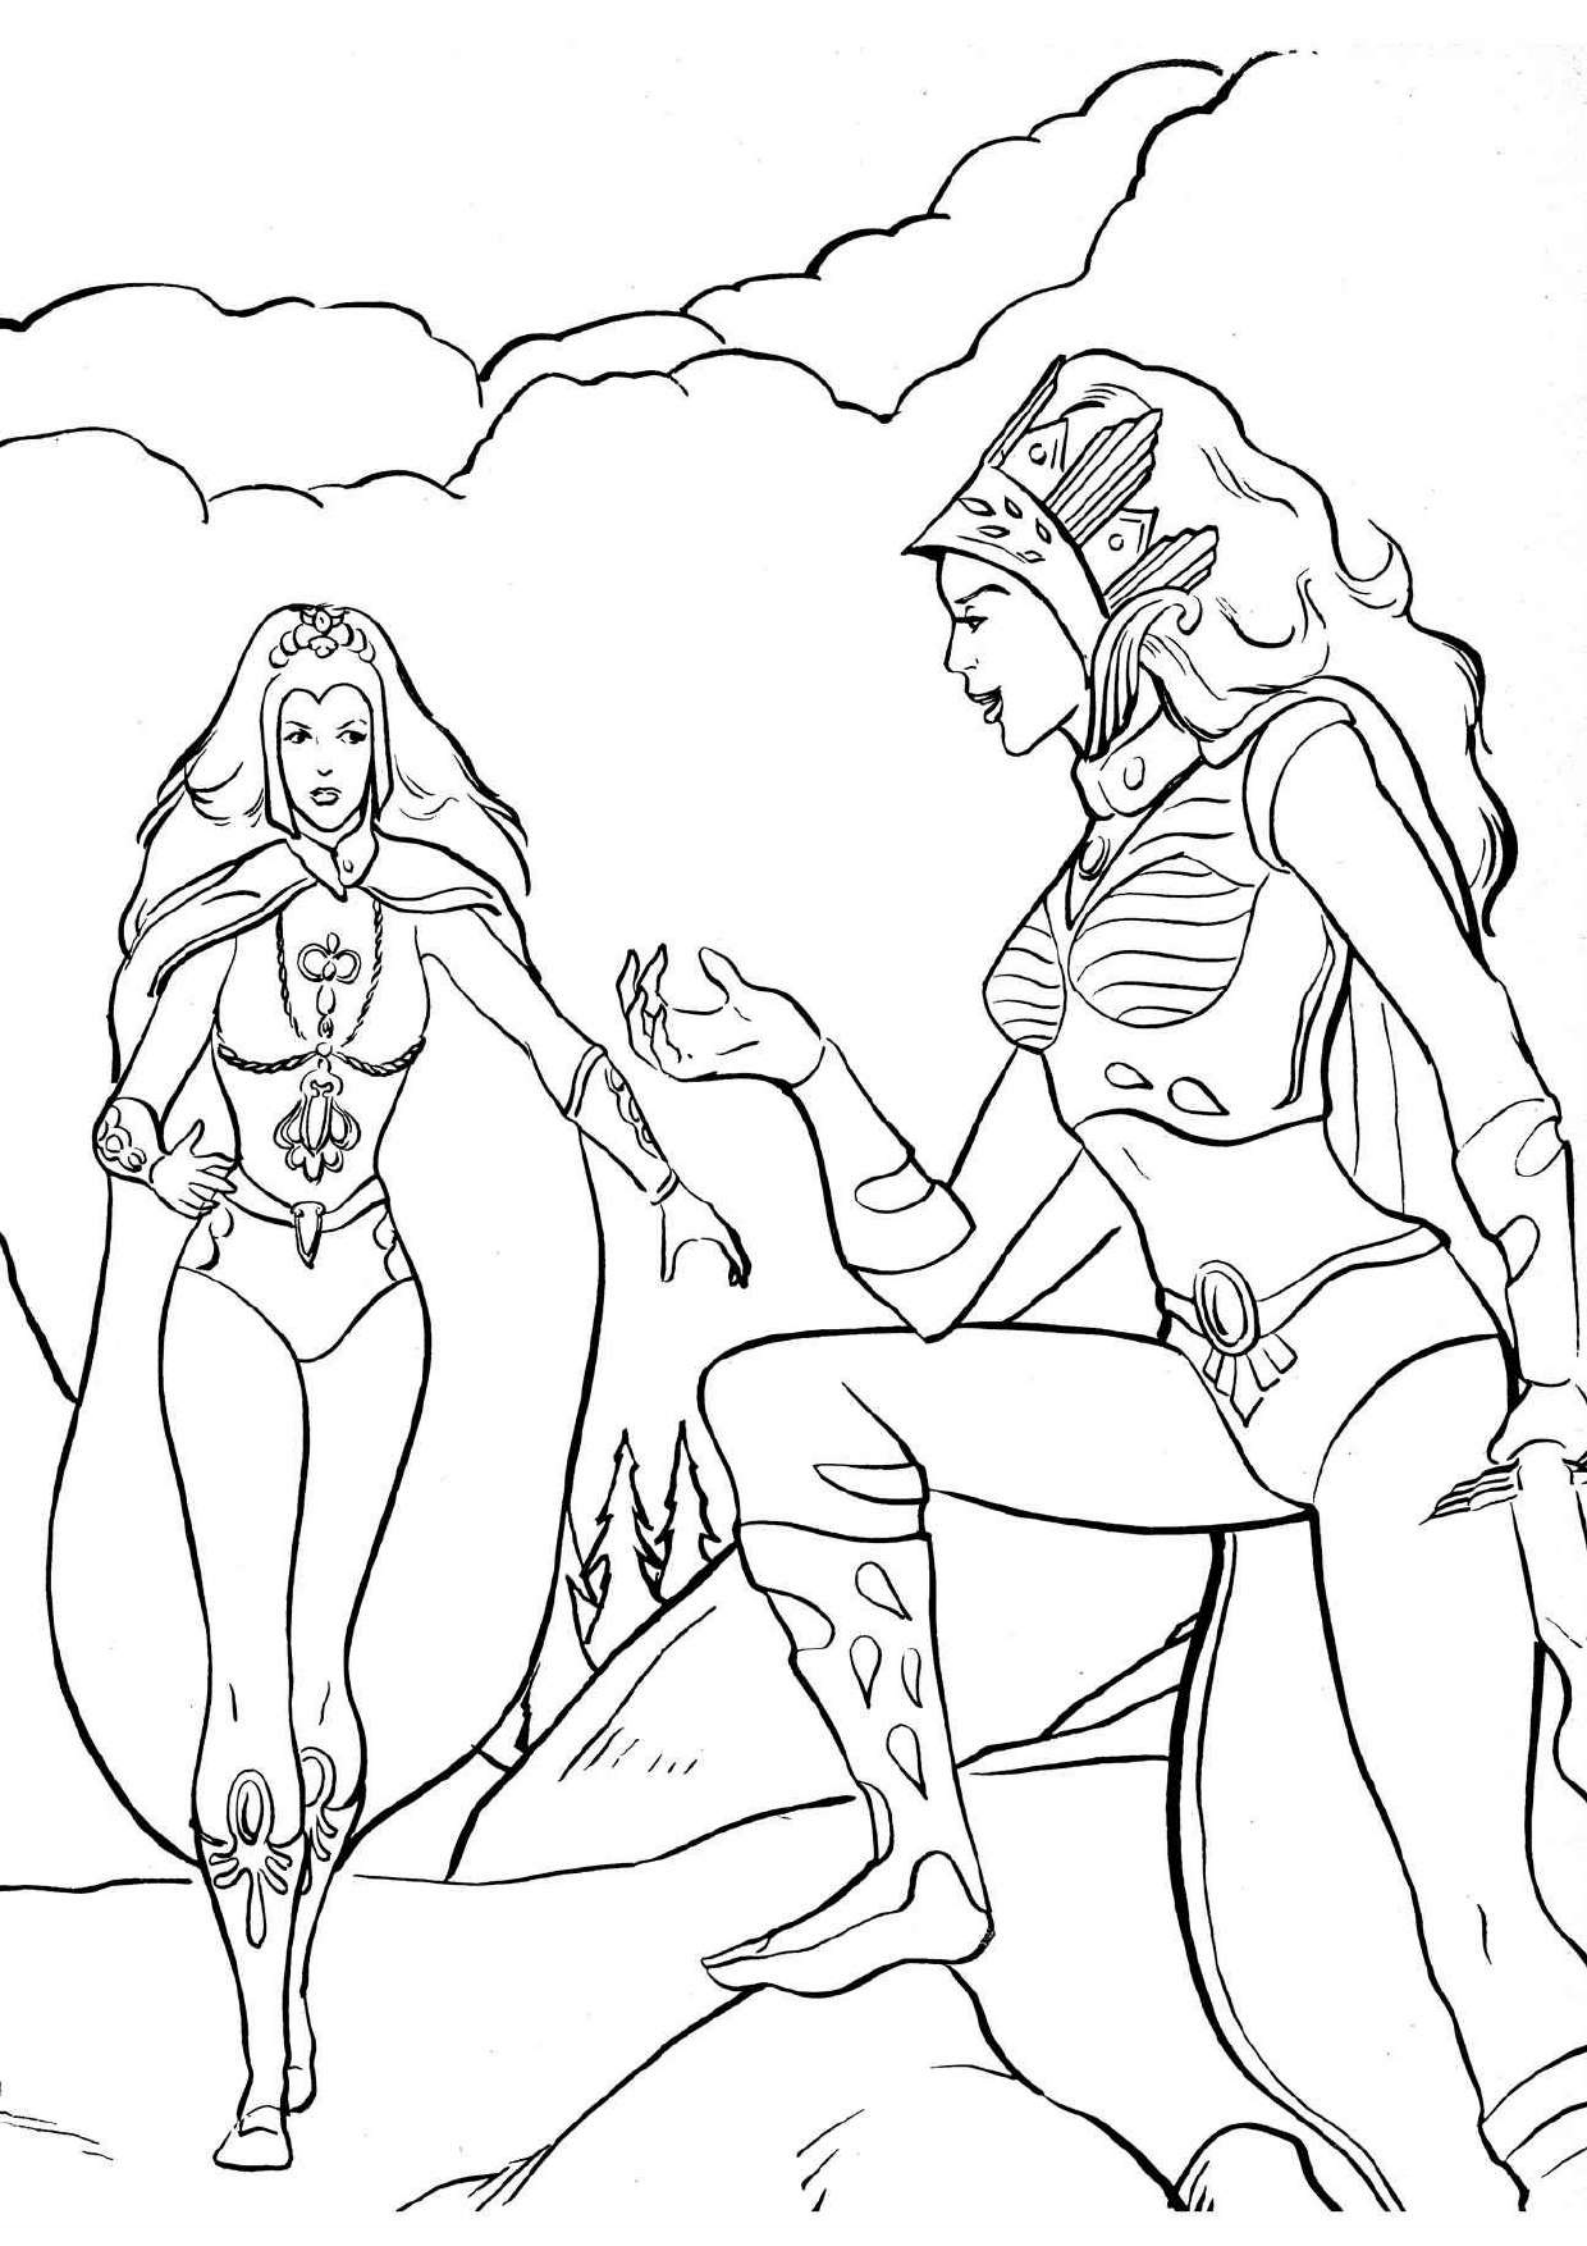


"Here I am," says Onyx.

Rubee and Jade arrive together.

"Dragon Queen has invited us to a feast," says Golden Girl. "She has declared a truce between us."





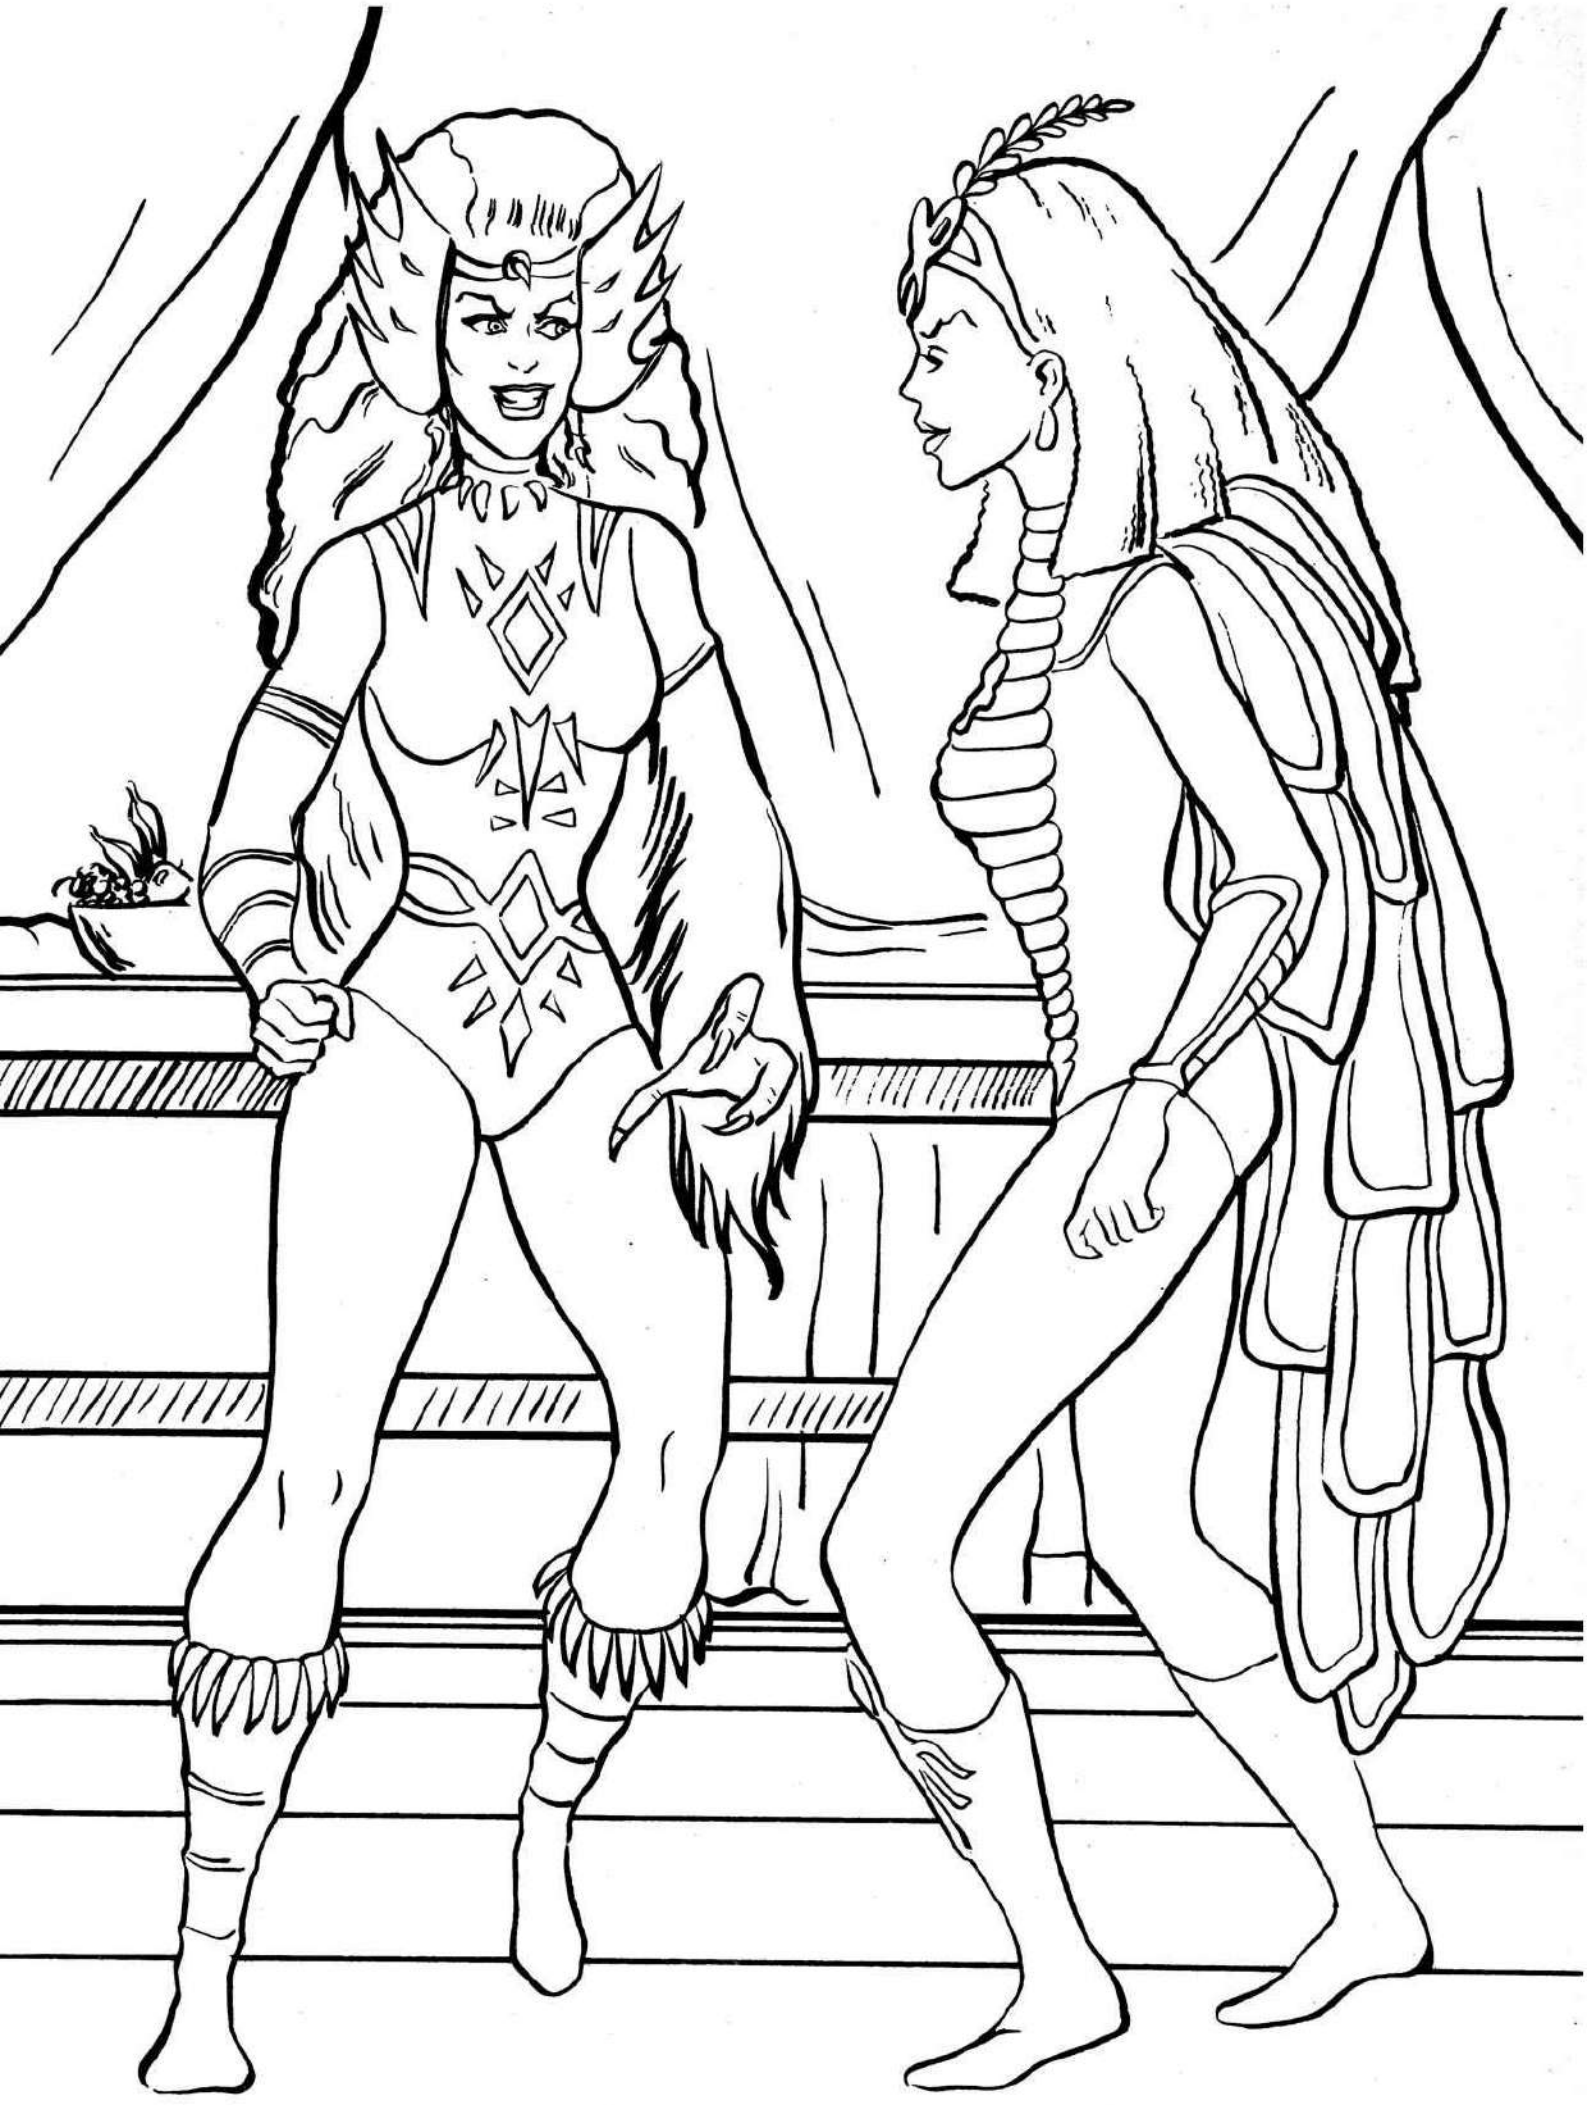
"A truce!" Rubee laughs. "I bet it's a trap!"

"Golden Girl is too trusting," says Jade. "I have a plan . . ."

Jade disguises herself as a kitchen maid and goes to Dragon Keep.

"Bring those oranges to the kitchen," says Dragon Queen. She doesn't recognize Jade!

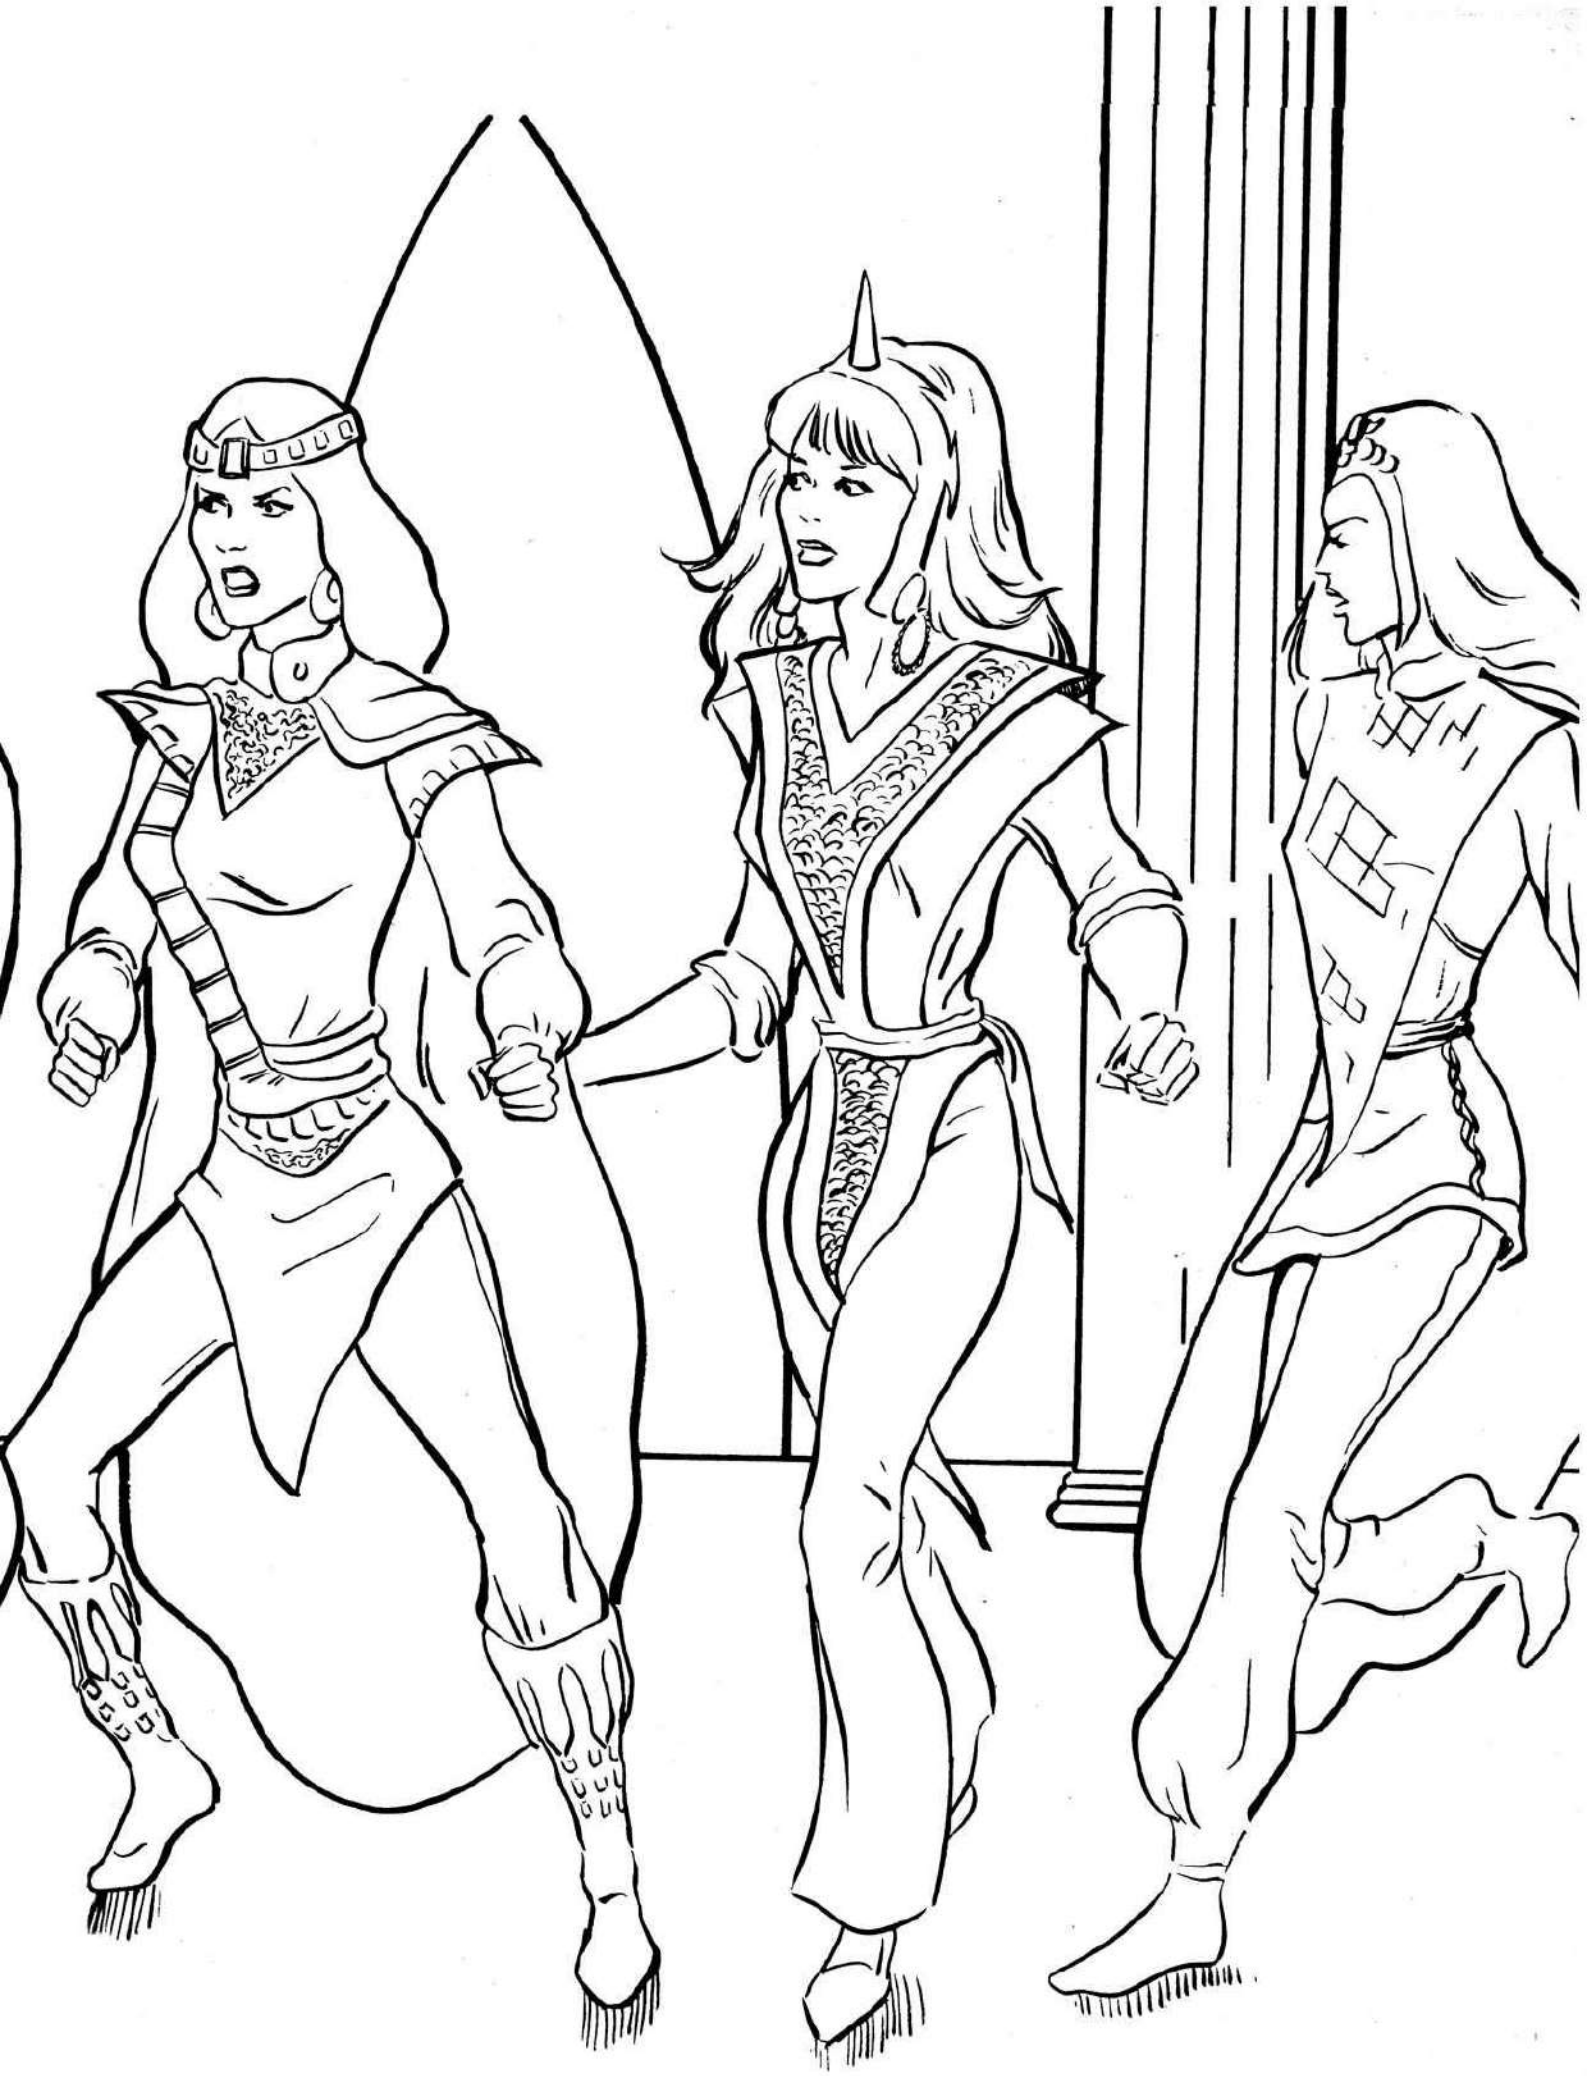
Jade hears Moth Lady and Vultura whispering together.



"Dragon Queen has cast a spell on a diamond of ice," says Vultura.
"When Golden Girl touches it, she'll be frozen forever!"

"The Guardians will soon be in my power!" says Dragon Queen.

Jade returns to Argonia and tells Golden Girl about Dragon Queen's evil scheme.

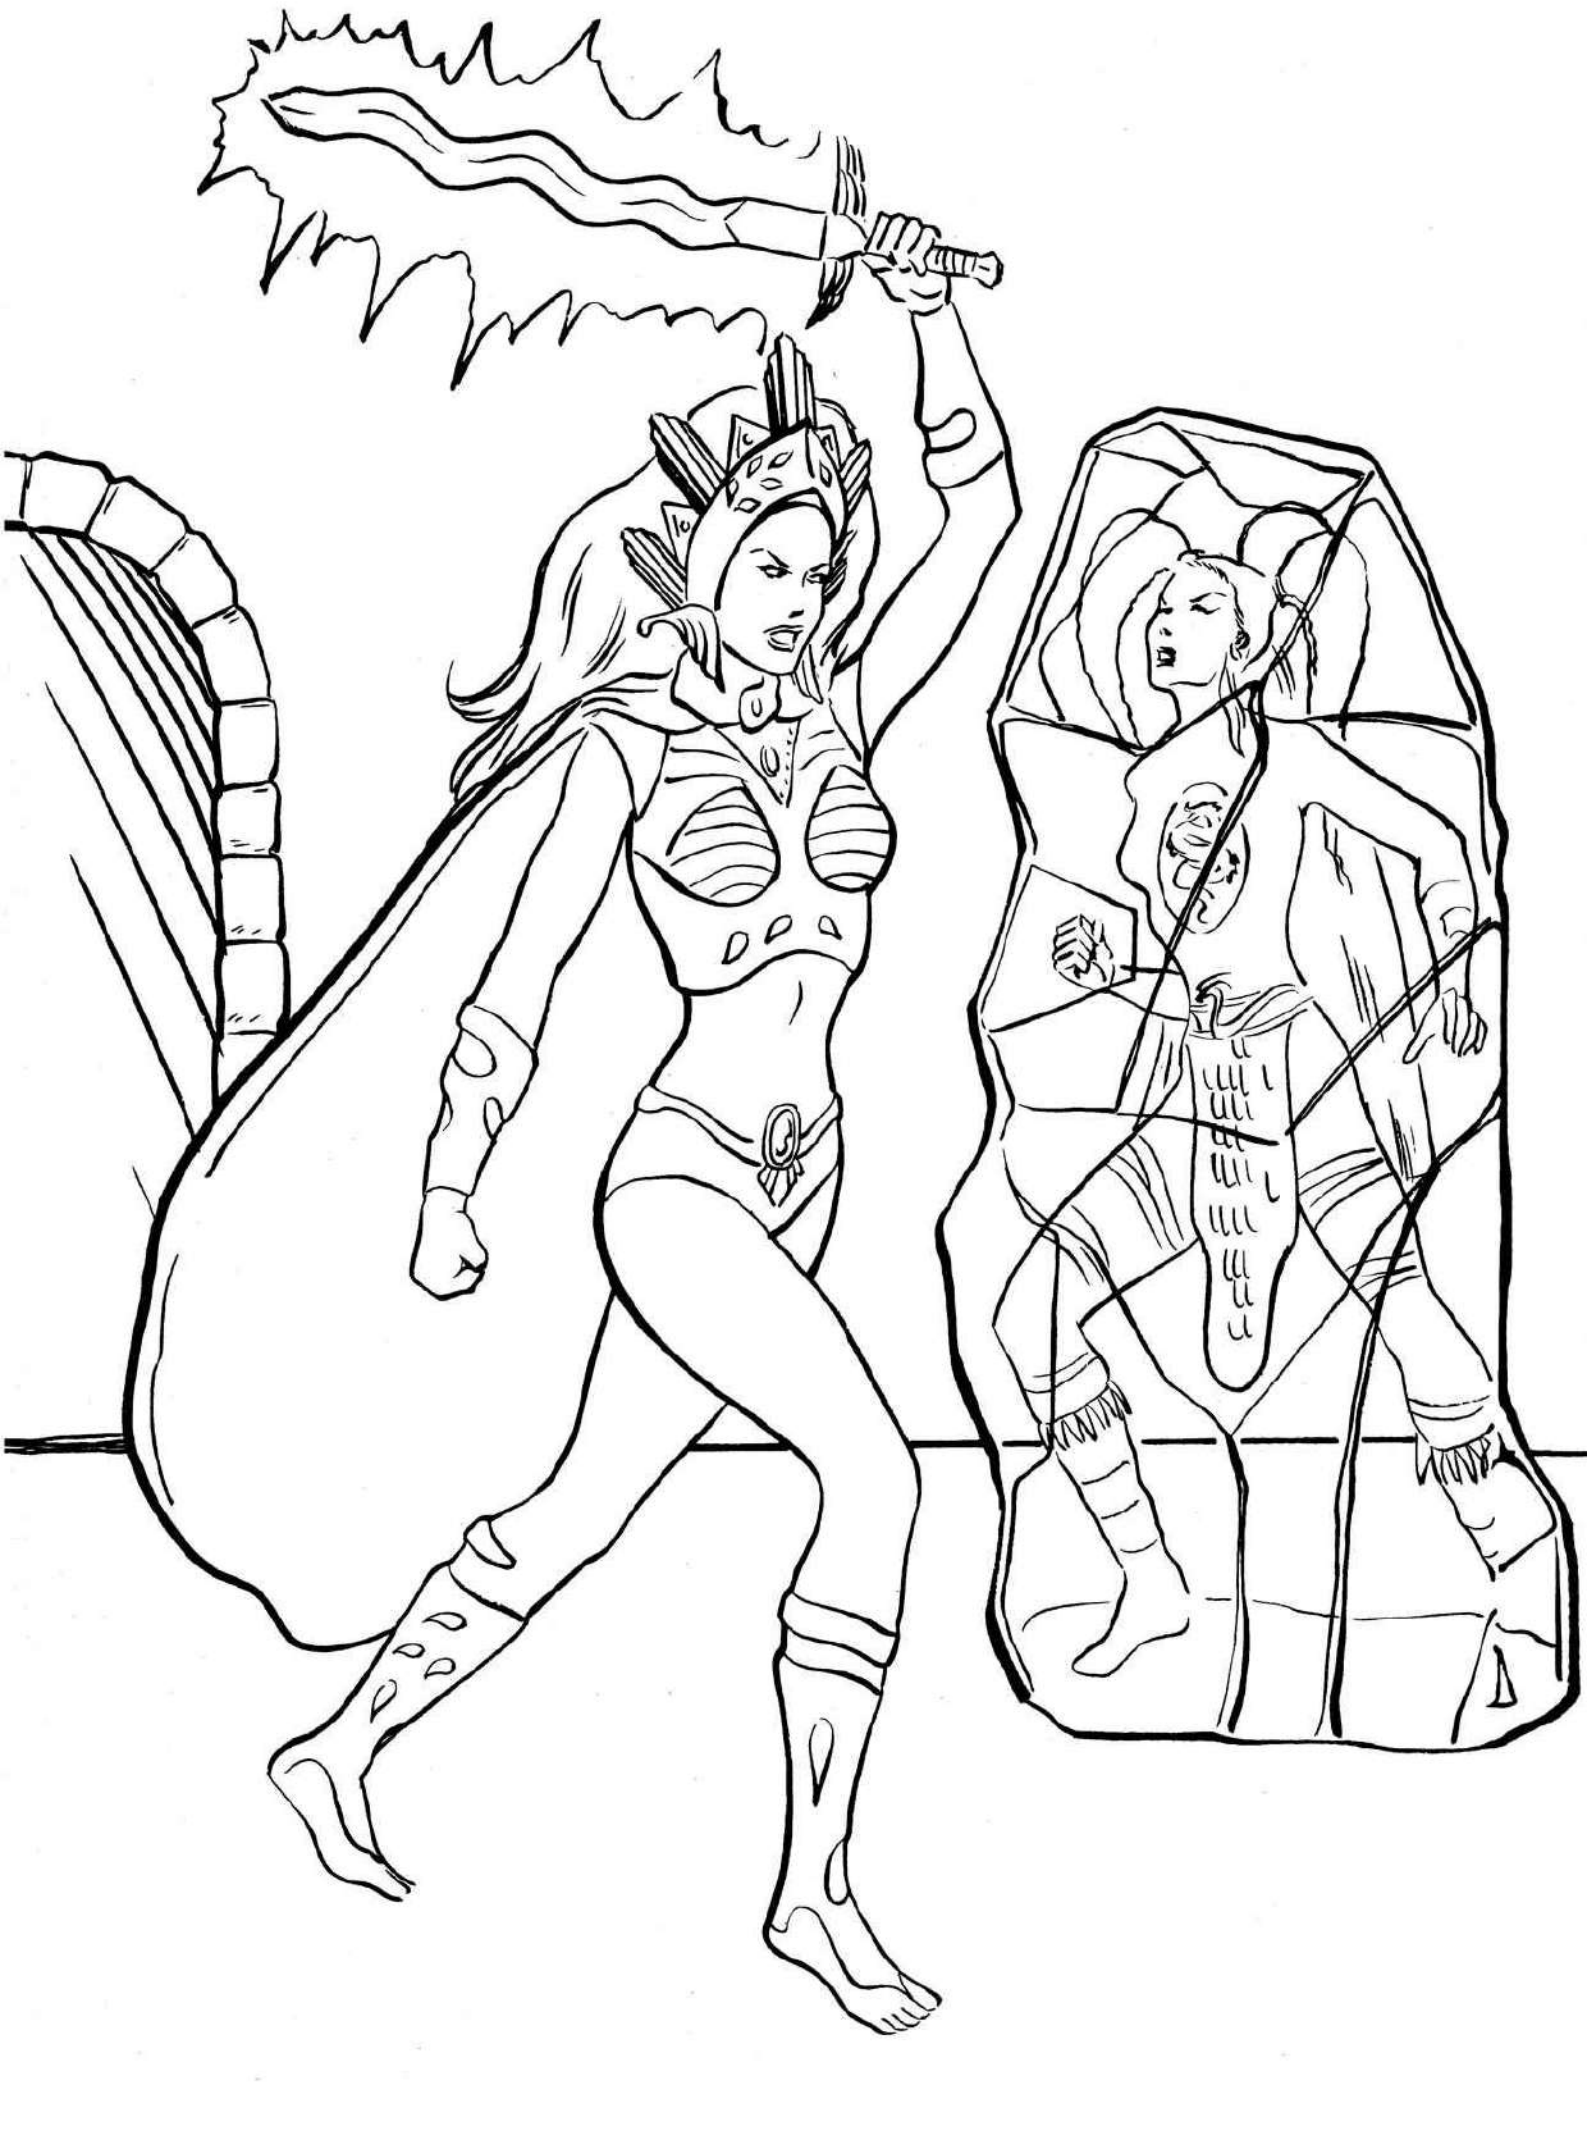


Golden Girl and the Guardians go to Dragon Keep for the great feast.

"To seal our truce," says Dragon Queen, "you must take this magnificent diamond encased in ice."

Golden Girl reaches out to touch the gift.

But Rubee's arrow shatters the ice! The pieces fall on Dragon Queen and freeze her.

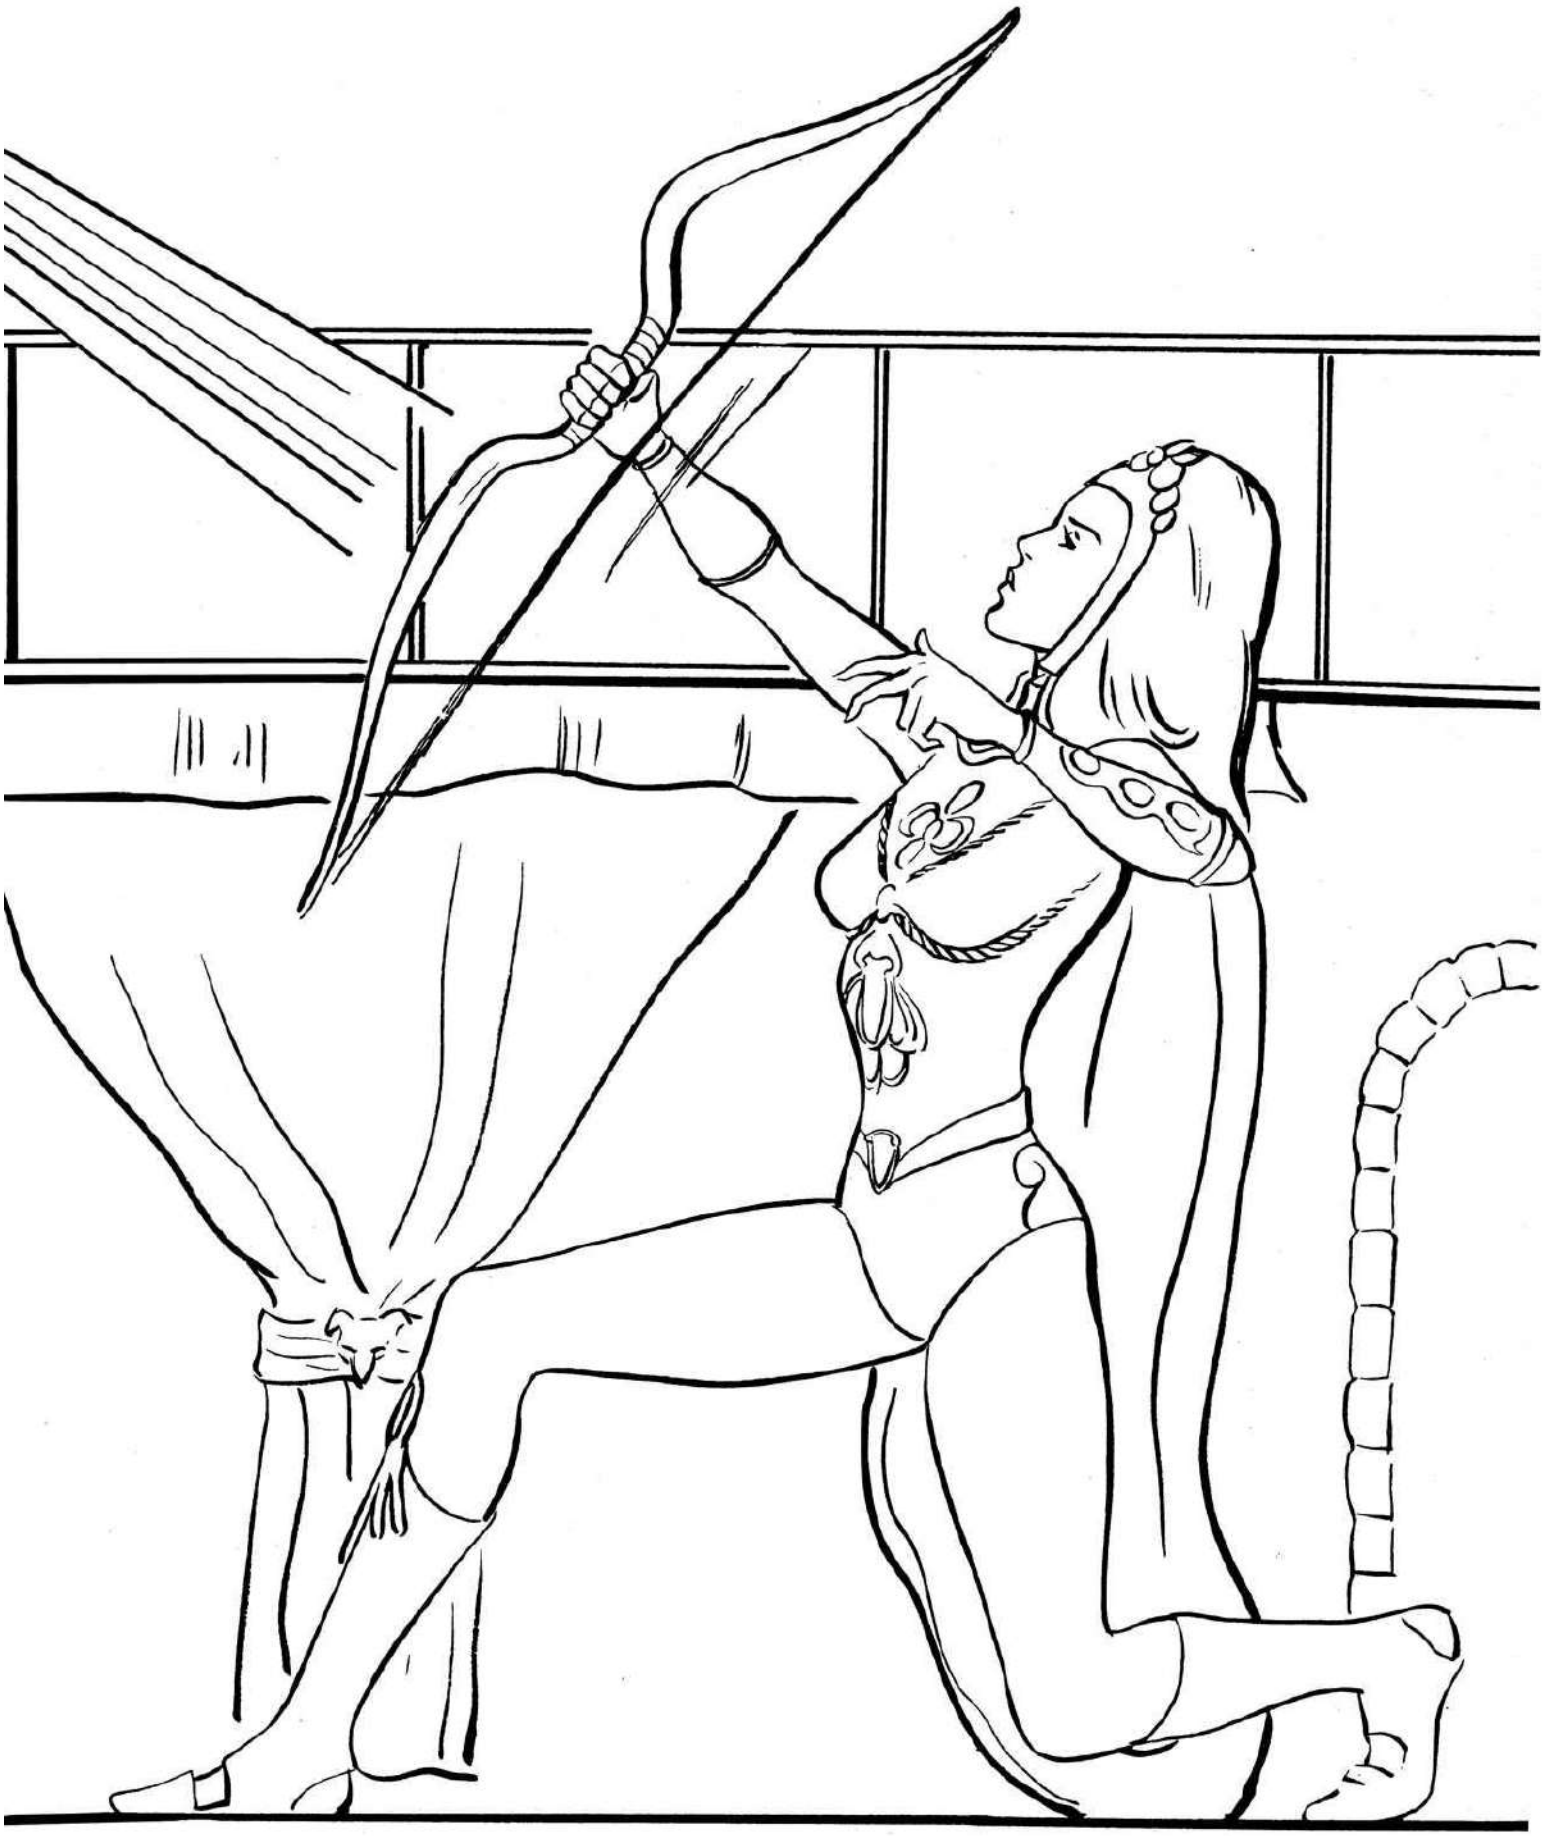


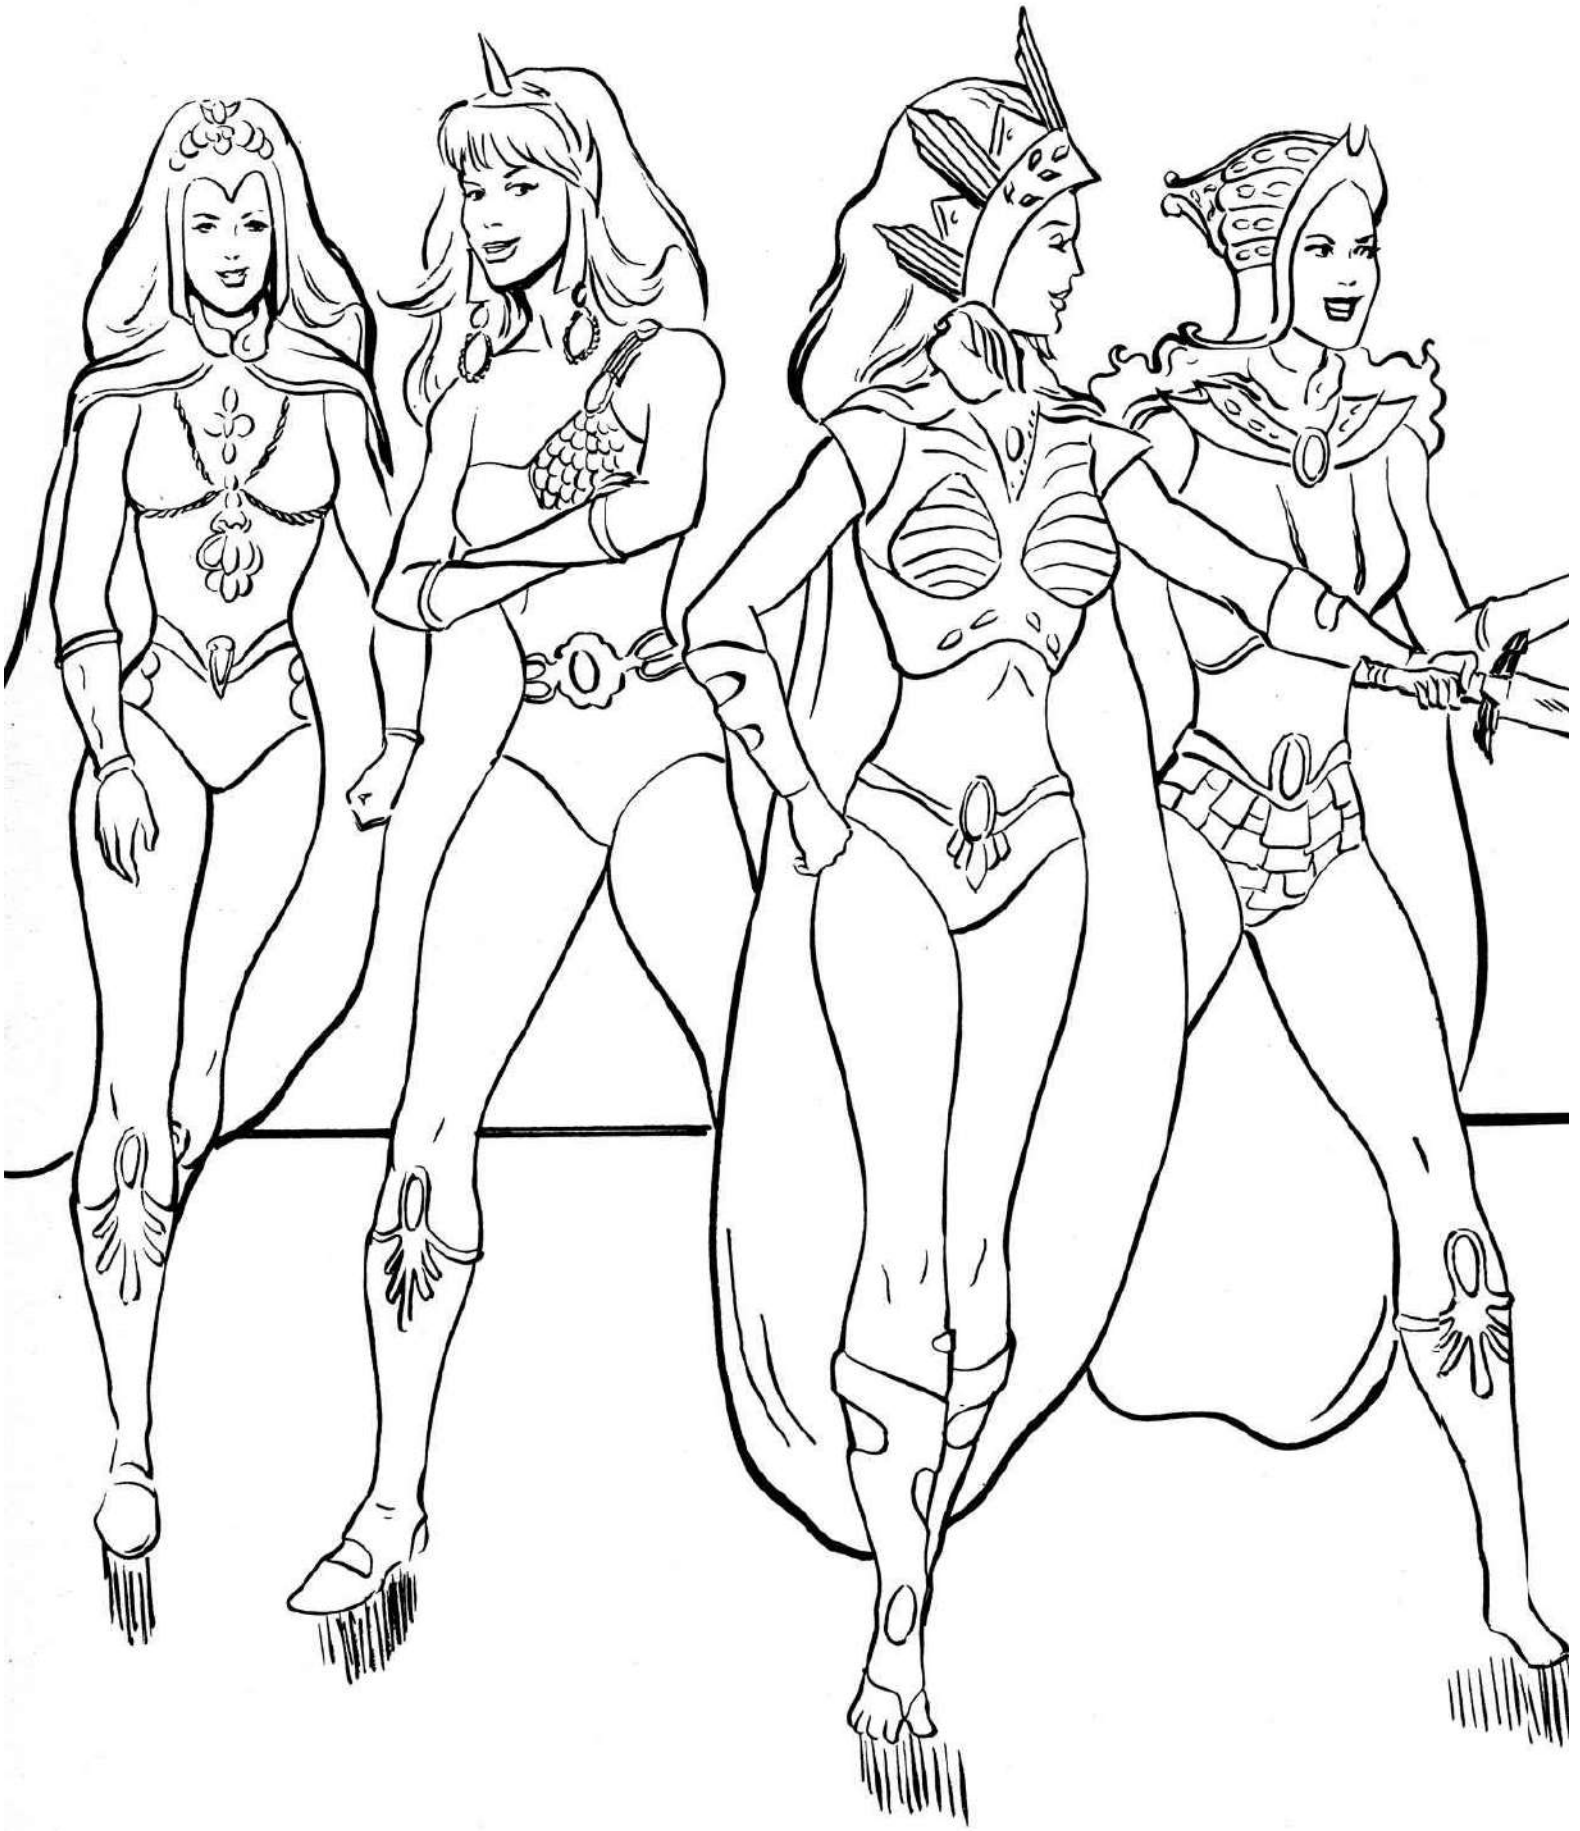
"Dragon Queen's evil spell has turned against her!" cries Golden Girl. "Now all of your evil will turn against you."

Moth Lady flings her boomerang at Onyx—but it flies right back at her.

Wild One's bolo cruncher turns and winds itself around her.

"My arrow will hold Vultura's staff and glove!" says Rubee.





Dragon Queen's evil plot has failed!

"You have all saved my life," says Golden Girl. "Let's return to Argonia and have our own feast!"
